## Important Dates

- Sep. 25            Get your order form at the Pack Kickoff.  
Nov. 10           Give your order forms and payments to your Den Leader.  
Dec. 5            Popcorn available to deliver to customers who ordered from you.

## How to sell

### **1. Go door-to-door**

Put on your uniform, take an order form and a brochure, and go up and down your block taking orders. Customers order what they want and pay you at the time of the order in cash or by writing a check. \* You'll earn prizes based on how much you sell.

Turn in order forms and checks by November 10. Popcorn will arrive in early December and you'll deliver it to your customers.

### **2. Parents sell to coworkers**

Send an order form to work with your parents to offer popcorn to their coworkers. \*

### **3. Join a Pack popcorn sale**

Join your fellow scouts and leaders at Safeway or the Woodmoor shopping center to sell popcorn to shoppers. Dates will be announced soon. We'll be working shifts, so see your den leader for the exact time and location.

\* Note to parents: Customers should make checks payable to "Cub Pack 248." Please put your son's last name in the "memo" area of each check so we know whom to contact in case of a question or problem.
